8.45 A. M. I have an appointment at Moore's this
morning and hardly have time to make the train. W. J. C.

OFFICE OF

THE TOMBSTONE MILL AND MINING COMPANY,

220 SOUTH FOURTH STREET,

GEORGE BURNHAM, PRESIDENT.
W. J. CHEYNEY, GENERAL MANAGER.
I. W. McELWEE, ASST. TREAS. & SEC.

Philadelphia, 3/18 1891

My dear Sam.

I wrote both you and Mr. Neville hurriedly
yesterday on receipt of the two telegrams as I wanted
to get the letters into the "Chicago Limited" mail.
I have been thinking over carefully what passed between
Senator Stewart, Mr. Burnham and myself, and as
I do not know just where to reach Mr. Cornell I write
to ask you to say to him that I cannot hold myself respon-
sible for furnishing the money to pay any assessments
in the levying of which I am not a party.
I have already advised Mr. Neville that I cannot as-
sent to an assessment until we are all together and
get all the claims against the Company presented &
get an estimate of what amount will be needed to
carry on the development work. This, as you will
probably remember (if you were present) was the under-
standing I had with Mr. Stewart when he was here.
I think the Board meeting ought to be postponed until
I get there, and if Mr. Neville needs the money for claims be-
ing against the Company (in case the Board meeting is so
postponed ~~cashed~~) I will send a check for the amount of such accounts
to Mr. Cornell and you will make approved bills to be assigned to
before. Yours truly W. J. Cheyney
